

Contract: Arid Zona - Nation State (2025-2050) Indian Affairs

This contract includes the participation of 50 individuals in land holdings within the United States. It grants permission for the modification of land and resource identification, as well as the establishment of associated services.

Terms and Conditions:

Land Holdings & Permissions

The agreement secures land rights for the listed participants.

Modifications to land and resource management will be permitted under this contract.

Financial & Trade Cooperation

Participants shall provide necessary documentation.

Cooperation with local banks and new trade sequences will be facilitated through Indian Affairs.

Idle Time Utilization

Participants are encouraged to engage in literary and historical works, including:

The Bible

The Crusades

Indian History Literature

Sacred Texts

Educational & Religious Endorsement

This initiative may be collected, studied, and distributed through the State Church Program and the Church of Latter-day Saints.

Validity & Purpose

This land-holding agreement promotes literacy, education, and cultural understanding.

Effective period: 2025 - 2050.
